

ZERO TOLERANCE POLICY

Rancho Bernardo Pop Warner has instituted a Zero Tolerance Policy regarding violations by spectators or parents. Mandatory behavioral responsibilities and guidelines will be followed in all divisions. A single violation will result in that spectator or parent being removed from the field and being banned from any and all football games played by Rancho Bernardo Pop Warner for the remainder of the season or up to one year. Failure to leave a game or attending any following games will result in removal by the San Diego Police Department or any other local law enforcement agency.

- Any board member will have the authority to stop and end a game, and to award the game win to the other team when any spectator or parent causes a disruption on the playing field.
- All Spectators or parents must remain *behind* the flags or roped off areas or in the stands at all times. If videotaping the game, you must also stay behind the flags, out of the end zones, and in the stands. Only authorized personnel, with appropriate ID cards, the chain gang, and the team checkers will be allowed within the roped-off areas of the field.
- Do not yell instructions or criticisms to coaches, players or game officials during practices or games.
